NEXT MEETING 7:00, TUESDAY 16 th JUNE  
-----  
Stoke Methodist Hall, Neale Avenue Stoke

TOPIC: HILARY WILL BE SHOWING SLIDES AND TALKING ABOUT  
-----  
AUSTRALIAN WILD FLOWERS

Last meeting was very enjoyable, and most of us came away with a new plant for our collection. Thank you Barry for sharing it with us, and providing the punge etc. to grow it on. There wasn't much on the display table this time, but it is so good to see the lovely orchids others grow. I find it encourages me to keep trying.  
This is a photo of a Mini cymbidium gown by a Greymouth friend, her's seem to be much

earlier than mine.

The raffel was won by Theresa this month.

As you see this is my first attempt at a news letter, so forgive mistakes please.

Don't forget to start preparing your Orchids for the show – September 26 – 27. If you would like to have your own display, let theresa know, so she can allecate space.

If you have a problem plant, have any other problems you want to know about, I am sure someone will be able to help, make sure all problem plants come in plastic bags, so any diseases don't spread.

Library We have two new books on protection and feeding tropical orchids. Don't forget to ----- use the library, it is a good resource to have.

I hav included this sales list incase some of you are interested. See you tuesday.

PAM NEWBIGGING
