NEXT MEETING. 16th MARCH2010. A.G.M. and plant management in Autumn.

Don't forget to bring your problem plants, also plants for the display table. A special raffle is being organized by Hilary and Gillian. They are also organising a plant to give away to all those present. So please come if you can you won't be pressurised to go on the committee, although its nice having new people on with new idea's. Don't forget if there is anything you would like to have or learn about at a meeting just let us know.

We want to say a big thank you to Christine who brought along her problem plan for repotting then gave a lot of us a piece. Its name is :- Dendrobium Gracious Falcon x Speciosum var. speciosum "Gold", so don't forget to name them.

Theresa has arranged a visit for us to Darrell Walshe's Orchid House, on Sunday 21st March, at 12 md. Bring your lunch, a barbeque is available. He is located in School Road, Riwaka, more about that at our next meeting.

Sorry this is short but I need to get this out today.

Yours PAM.
